

Celcom Gives Extra To Make You Happy

Written by Editor

Wednesday, 16 August 2017 20:13 -

As demand for mobile data increases, Celcom has introduced two big postpaid plans with up to 100GB of high-speed quota. If you use more than 40GB a month, Celcom FIRST Gold Supreme and FIRST Platinum Plus postpaid plans could just be the plan you're looking for. On top of that, they are giving even more data just for video streaming.
