

You've probably seen contests that offer a chance to win a phone. Now here's one that gives you not one, not two but 10 units of [Samsung Galaxy S7 edge](#) . Yup, that's 10 smartphones for one single person.

In an attempt to get more people to recommend webe to their friends and family, webe is embarking on a referral code contest where the biggest referral takes home 10x Galaxy S7 edge. To join, you'll need to be a webe subscriber and you'll have to recommend webe to others using your unique referral code. If they sign up with your code, your referral is successful and it counts towards your overall ranking.

1

Login to unlock and copy your referral code.

login

copy code

2

Share your referral code to everyone you know through all your favourite apps like WhatsApp, WeChat, Facebook, Twitter or even LinkedIn.

The more, the better.

When your family and friendship sign up for webemobile[®], make sure they **enter your referral code during checkout** at "Order Review".

3

Eligible participants will be ranked based on the number of likes received on their posts from 1st June to 31st July. The most
