Most shops still closed but .....

Today is the second day of Chinese New Year however most Kopitiam near town area are open this morning. You will be surprised by the high food price charged in most Kopitiam. Food from Kopitiam 'restaurant' is from RM5-RM6 (fried chicken rice, fried fish rice and etc) while normal price was RM3.5 - 4.50.

Kopi-ben (ice coffee with milk) is RM1.90. During new year their customers seem don't mind such high price charged.
