*Bintulu Industrial Zone -
You can find world largest here*

You may take a view of the nerve centre of industries in Bintulu, the world's largest liquidified natural gas complex, the world's first Middle Distillate Synthesis Plant, the urea/ammonia plant, the power stations and the crude oil terminal as well as an overview of Sarawak's sole deep sea port, The Bintulu Port Harbour.

Bintulu - Industrial Look Out
